

Extracurricular Activities 2019/20

***Chamberlayne College for the Arts
Expect More – Achieve More***

Introduction

Dear Student

At Chamberlayne, we believe that when you involve yourself in extracurricular activities you will build your character. You will meet new friends, expand your interests and perhaps find a new talent!

Extracurricular activities can help you build leadership, organisation, resilience, initiative and communication skills: all of which are essential for life and employability.

Please look carefully through this brochure at everything we have on offer.

What will you choose to broaden your horizons?

If you have any questions, or have ideas about clubs you would like to attend, please let us know.

The background of the form is a collage of three photographs. The top photo shows a group of children on a stage; a girl in a black and white polka-dot dress is singing into a microphone, and a boy in a grey suit and top hat is also singing. The bottom photo shows a group of boys in school uniforms, all holding and looking through cameras, appearing to be in a photography club or competition.
